Problem

HR admins always needs to **spend time** to find CV in company mailbox

Storage size is always full. You need to archive emails or increase storage capacity

There is no such **platform** to get **CV's directly in department folder**

msforhr

Solution

Web and mobile platform with a focus on fast data access.

Platform for HR to **get CV's directly** to department folder

Platform for employees where they can **send CV's and fill out form**

Copy link of department folder and **place it to job sites**
